### HUMILIATION OF MR. MOUSSA TAUJOO "IN SOCIETY"

*Alhamdulillah, Soumma Alhamdulillah*, from across the ocean, miles away, Hazrat Mukarram Fazil Jamal Saheb, the devoted, sincere and close disciple of Hazrat Khalifatullah Munir A. Azim (atba) has attracted the attention of Huzur (atba) on the fulfillment of a Warning/Prophecy on the person of the actual Amir Jamaat of the Ahmadiyya Muslim Association of Mauritius, Mr. Moussa Taujoo. To better appreciate the outcome of events, the Jamaat Ul Sahih Al Islam International produces the correspondences (dated 18 January 2015) to the Respected Hazrat Muhyi-ud-Din Khalifatullah Munir A. Azim (atba) from his humble disciple, Hazrat Mukarram Fazil Jamal Saheb:

*Most Respected Huzur:*

*Assalamu Alaikum w.w.*

*In the Friday sermon on 28 October 2011, Huzur (atba), in the second part made certain hard-hitting observations and warning on Mr. Taujoo. Some of the words used in that context foretell the coming humiliation on his person from society.*

*And today, I came across a news item from **Friday 09 August 2013**, which apparently pertains to Mr. Taujoo, if I am not mistaken: It does speak about the loss of a major case in the Supreme Court seeking millions in compensation for his days of humiliation in ICAC. It is clear from the court report in the Press that Mr. Taujoo has indeed confirmed through his claims before the court that he had suffered material and moral humiliation due to the premature termination of his job in the ICAC. The court of course declined to entertain the merits on procedural grounds of undue delay, itself, it seems. It will be interesting to see/investigate on what grounds he was originally expelled/ terminated his job and if he was indeed keen/clean to get back/seek compensation, why it took him almost two years to approach the court.*

*I am not sure if Huzur (atba) has taken note of this incident in any of the Friday Sermons and thought to place the link for the kind attention:*

*Most Respected Huzur:*

*Assalamu Alaikum w.w.*

*I just came across a judgement of the Mauritius Supreme Court on **29 May 2014** in the case, entitled **Bisasur v. ICAC**. As Huzur would know, Mr. G. Bissasur was the other Dy. Commissioner of ICAC along with Mr. Taujoo, appointed almost on the same day in 2002.*

*While they were serving in office, amendment in the POCA, 2005 TERMINATED their job through a specific section in that Parliamentary legislation, virtually leaving them with no room for making any argument on grounds of any prematurity, illegality, arbitrariness or unjustifiability as it was consequential upon the abolition of the position under that Act of Parliament.*

*The 2013 decision, which I mentioned in the last mail, took the procedural route to dismiss the case of Mr. Taujoo for compensation for termination of job contractually agreed for Ten years in 2002. He was appointed by a committee that was headed by the President, PM and the LoP. Yet, in three years time, by Oct 2005, he lost it through an Act of Parliament.*

*Now the 2014 decision examines even the substantive arguments on their case, though only Mr. Bisasur is before the court. Based on the arguments preferred by the parties and the court's discussion, the sections in the Parliamentary legislation that terminated the job of Mr. Taujoo was described as FAIT DU PRINCE and /or "FORCE MAJEURE".*

*In the English/British legal tradition, the equivalent clause is "ACT OF GOD".*

***They played with the employment rights of God's Messenger. While being EMPLOYED at one of the most protected positions in the State, Allah terminated their job in such a manner and style, that even the highest court of the land could not find anything wrong/abnormal/unjustified in the way of termination.***

*There is thus, clinching evidence to show that Mr. Moussa Taujoo's termination of employment at ICAC was nothing less an "Act of God", not just in 'legal' terminology, but also spiritually speaking!*

*Wassalam,  
Fi Amaanillah*

*Fazil Jamal*

*PS: [the judgement is attached for kind reference](#)*

## **THE TAUJOO & BISASUR CASES – EX-DEPUTY COMMISSIONERS OF ICAC**

*“...Appointed on contract in 2002 by the President of the Republic for a period of ten years, the lawyer, however, was dismissed in October 2005, three months after the advent of a new government. His position was abolished a month earlier after the amendment to the Prevention of Corruption Act (PoCa) because the government wanted to give a new breath to the body with the appointment of a Director General and two assessors.*

***Like the Commissioner Navin Beekarry and his colleague Moussa Taujoo, Gerard Bisasur were forced to pack their bags for their positions no longer legally exists. In his complaint, Gérard Bisasur says that he has simply been verbally informed by the Secretary to Cabinet that his contract was revoked and he must leave his office. It was not until January 2006 that the Anti-Corruption Commission informed him that the sum of Rs 1,462,500 was transferred to his account as compensation following the instructions given to it by the Secretary to Cabinet. Gérard Bisasur then sent a letter to the ICAC to declare having accepted this money “under protest...”***

## FULFILLMENT OF PROPHECY

### HUMILIATION OF MOUSSA TAUJOO "IN SOCIETY"

#### A 'Severe Warning' to Mr. Moussa Taujoo

By Hazrat Mukarram Fazil Jamal Sahib

In his Friday Sermon of **October 28, 2011** the Khalifatullah Hadhrat Munir Ahmad Azim Sahib took note of the nefarious activities of the Ahmadiyya leadership in Mauritius which is hell-bent on deviating common Ahmadi people. With their administrative control over the every day lives of common Ahmadis, the leadership is virtually enslaving common Ahmadis.

They seek to restrict and prevent common Ahmadis from recognizing the Divine Manifestation and worse still, to fill their hearts with hatred against and contempt for, God's Chosen Messenger of the era. As is perhaps to be expected in times like these, all of these Un-Islamic activities are being done and sought to be legitimized in the name of protecting the sanctity of 'Khilafat' and 'Ahmadiyyat'! Hadhrat Khalifatullah (atba) has

now specifically warned the leaders among them- including the Ahmadiyya Amir of Mauritius- to desist from their evil ways and deeds or be ready to face their moment of reckoning which shall approach "soon, very soon".

#### Read the Extracts from the Sermon:

***"... Moussa Taujoo and Ganee, along with Amine are taking themselves as great protectors and defenders of Khilafat and Ahmadiyya. They have rejected that which they cannot grip from Allah's knowledge, despite not receiving its explanation. Likewise, there were people before them who acted arrogantly, and refused to accept the truth and see how Allah Almighty has led them to their destruction.***

*You, Moussa, you are following only your imagination so as to acquire honour. You forgot the humiliation you got in 1988 when the late Caliph Tahir Sahib came; you listened so much to the talks of Hussein. Where is Hussein now and where are you?*

*You were ousted (from your seat) – bear in mind that your satanic imagination which is making you apply boycott on us and not bidding us salaam cannot become greater (stronger) than the truth in any way. Allah knows what you are doing. Allah Almighty says in the Quran: **“Inna sharraddaa-waaabbi indallaahis summul-bukmullaziina laa yaqiluun.”** – In the eyes of Allah, the worst animals are those who make the deaf and dumb, who do not use their reasoning (intellect).*

*O Moussa, fear that calamity which shall befall you and those around you, who are doing harm, and bear in mind that Allah Almighty is very severe in inflicting punishment. Ponder over the fact that those who reject the signs of Allah, Allah Almighty shall let them go astray and ultimate destruction little by little, in such a way that they do not realise (what is happening to them).*

*Bear all that in mind; make your plans, make your plots but Allah’s plan is solid, and the one whom Allah leads astray, nobody can guide him, and Allah let these kind of people mingle in their extravagances and arrogance. Do you think that the plan of Allah Almighty shall not reach you and your Mullahs? Only people like you think that you can avoid Allah’s plan. For each wrongdoer, harm-doer there is an appointed time. When your appointed time shall come, you would not be able to postpone it for even one more hour.*

*Allah Almighty makes the hearts of unbelievers incline in that direction and in taking pleasure in promoting boycott, and eating the flesh of your brothers with appetite, not bidding salaam, input hatred in the heart of people and restricting them from inviting us for functions. You are thirsty of temporal honour and power and you are following your own imagination and are continuing in inventing lies and falsehoods. Only Allah Almighty knows who are those who have gone astray (leaving His path behind) and it is He who knows best who are those who follow the right path.*

*Like I said so many times in the past, upon the **Daras-Us-Salaam Mosque** there is the exposition of the great slogan **“Love for All, Hatred for None”**, inputted only for the eyes of people. You*

**Dar-us-Salam, Rosehill, Mauritius**

*must now remove it and put instead: **“Hatred for All, Love for None”**. That which you put at the top of the Mosque does not reflect at all in your deeds. In your hearts there is no **“Love for All, Hatred for None”**. This motto is mostly to deceive the eyes of people. Allah has shown us their true faces, and that in their heart there is not (what they proclaim), no **“love for all, hatred for none”**, but instead there is an illness in their hearts and Allah has made the filth in their hearts become filthier.*

*I thus give a severe warning to this so-called Amir of the Ahmadiyya Association of Mauritius, Mr. Moussa Taujoo for all his evil deeds which he is doing whereby he is inciting the Ahmadis to become violent towards us. There is a lot of things which he is keeping secret, which he is keeping from the Ahmadis. **Many times Allah made me understand that Moussa is a black slipper (2001-2002).** He did not get enough of his dose of humiliation (he wants more!) After his degradation and humiliation from ICAC, he did not learn any lesson from these humiliations.*

Therefore, continue in mocking Allah, His Messenger and His signs; verily soon you shall know (bear the consequences). **This time, you shall have no face to show in society for your degradation shall be extreme!** You want to do competition with your predecessor in evildoings. Soon, very soon you shall taste the consequences of your evil deeds. Your hatred and all things which you are hiding from the Ahmadis shall become manifest.

***“Wa lakum amalu-kum ! Antum-barii-uuna mimmaaa ‘a-malu wa ana bariii-um-mimmaa tamaluun” –***

*“For me are my deeds, and for you, your deeds.  
You have no concern with what I do,  
And I have no relation with what you do”.*
